

BIBLE DOCTRINE

“Rightly dividing the Word of Truth”
2 Timothy 2:15

Many Christians are not effective in sharing the gospel and in teaching others because they don't understand the Biblical principles of doctrine.

Pastor Ringwaldt will teach you what the Bible teaches about God, Christ, the Holy Spirit, the church, man, salvation, prophecy and Angels.

This class will be of great value, not only to full time Christian workers, but also, to any person who desires to know more about our great God!
