TRAINING NATIONALS TO REACH NATIONALS

26 June 2008

We praise the Lord for answered prayers on behalf of the ministry of Sydney Bible Baptist College. Our fourteen day students are just completing their first semester of study and have achieved pleasing academic results and spiritual growth. In the final week of term two we will be blessed to have a series of special lectures covering the topic of Godly Music with Pastor Graham West. We praise the Lord for our four third year students about to embark on their final semester of study and for their desire to seek and obey God's calling upon their lives.

Our second semester commences with a registration evening at our college property on Monday, July 21. Current full-time students, and any new students, are requested to be present to register from 6pm. A special service will follow registration at 7.30pm. Our guest speaker will be Pastor Mark Escaner, a graduate of Sydney Bible Baptist College. All are welcome to attend the evening; refreshments will follow the service.
