TRAINING NATIONALS TO REACH NATIONALS

5 April 2011

Dear Pastor,

Term one of our college year is almost finished, yet it seems like we just got started. Life is truly but a vapour!

The Lord has answered much prayer with increased student numbers and the residential facility accommodating both married and single students. It is a blessing to train the 19 day-time students who are committed and diligent in their studies. This number includes our three new full-time students. We are blessed to have Charlie Haddad, one of our recent graduates, teaching soul winning on Tuesday nights. His class and the doctrine class are both well attended and students participate enthusiastically. Extension schools are currently being held in three local churches.

May I urge you to join us in prayer and consider supporting us in the training of men and women for the ministry? It would be a great blessing if you would consider taking us on, as a missions project, for regular monthly support. Without the support of like-minded churches this ministry would not be able to continue.

Please pray that the Lord will be working in lives to call people into training for His service and that these people will be willing to respond to His call. There is a great shortage of man-power in our needy country and many churches are without a pastor.

I have already enjoyed serving with pastors in several churches this year. God's people need to be challenged about the need for more labourers in God's vineyard. I am available for preaching, college promotion, and to bring the book ministry at your request.

More prayer requests:

- For new full-time students to start semester II which will begin with registration night on Monday the 18th of July.
- New Tuesday evening course for semester II on 'Miracles in the Bible' which will begin on Tuesday the 19th of July.
- Graduation meetings from the 29th of November to the 1st of December, will be a time of revival & calling of people into the ministry.

Your fellow labourer,

On behalf of Sydney Bible Baptist College,
Brother Trevor Ringwaldt
(Dean of Students)
