TRAINING NATIONALS TO REACH NATIONALS

23 October 2010

Dear brethren,

Grace be unto you, and peace, from God our Father, and from the Lord Jesus Christ.

We continue to value your prayer, support and interest in the work of the college. Once again the Lord has provided godly pastors and lecturers and our entire student body has shown great diligence in study and constant labour in their respective Independent Baptist churches. The new music curriculum is "up and running" and is developing well.

The highlight of last semester was having Dr Kingsbury and his wife ministering in the college. Pastor Kingsbury is the founder of Reformers Unanimous, a Bible programme designed to win and transform the lives of people with addictions / life dominating sins. He taught some lectures, preached numerous chapel services and blessed us all with his bright spirit and godliness. Mrs Kingsbury spoke to the women in ministry class and shared a wealth of experience.

Now we are rapidly approaching our **Bible Conference Week**

- **Date:** 30th Nov – 2nd Dec
- **Speaker:** Dr Chris McNeilly will be the guest preacher and his wife will share with the ladies in some special women's sessions. Dr McNeilly was a long-time leader and mentor in Fairhaven Baptist College. Pastor Jon Hall and Pastor Chris Eckels have both benefited from his ministry:- if they are reflections of this man's ministry, we are in for a blessing!
- This conference is guaranteed to be a wonderful week of Christ-honouring music, testifying, fellowship and preaching which will bless and uplift all who attend.
