SEMESTER I NIGHT COURSES
KEY DATES FOR 2010

Yee Wan Wong

On June 11, 2000, I placed my faith and trust in Jesus Christ as my personal Saviour. Some ladies from Metropolitan Baptist Church visited me on that day, and Mrs Trini De Leon showed me from the Bible how I could have eternal life and a home in heaven.

I have been faithfully attending Metropolitan Baptist Church ever since. Over the years the Lord has given me an increasing desire as well as many wonderful opportunities to serve Him in and through my local church.

I started helping out in little things such as singing in the choir, assisting in the nursery and providing morning tea on Sundays. Also, I have had the privilege of teaching children in Sunday school and ministering to teenagers in the Youth ministry.

I count it an even greater privilege that God confirmed His will for me to attend Sydney Bible Baptist College so that I would be better equipped and trained to serve the Lord.

As 2 Timothy 2:15 says *“Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.”*

In 2007 I stepped out in faith and commenced full time studies and throughout the last three years my time at SBBC has been a tremendous and invaluable experience. God has taught me so much through the many esteemed college lecturers who give sacrificially of their time and of themselves.

I thank God for His enabling grace as my faith has been strengthened even in the midst of balancing life's trials and pressures. Many thanks to my family, church family, and friends for your continual love, prayers, and support.

Concerning the future, may the Lord direct my steps as I continue to be a faithful support to my pastor and his wife. I look forward to further ministry opportunities to practically apply the training I have gained at SBBC and to how God will use me to impact others for His honour and glory.

The Evans family:

Missionary Tony Evans graduated from SBBC in 1988. His wife, Debbie, completed a Christian worker's certificate in 1988. The Evans family have faithfully served on the mission field of Japan for the past eighteen years. We are privileged to have them serving with us during this years graduation conference. They will complete furlough and return to Japan early in 2010.

**The Crocket family:**

Missionary Chris Crocket graduated from SBBC in 2003. The Crocket family is now serving in Ramnicu Valcea, Romania, with a national pastor. Bro Chris is now able to write and preach in the Romanian language. Suzy is very involved in Children's ministry and the music ministry.

**What are our recent Graduates doing?****Charlie Haddad (2008):**

I am currently serving at Macarthur Baptist Church in Sydney. My roles include internship; youth pastor; associate pastor and soul-winning director. Also, I'm doing some itinerary preaching including annually preaching a Missions Conference in Fiji. I am very much involved in the Slam Australia Prison Ministry as Coordinator Prison Visit/Discipleship by mail/In-house and Bible Study. I am praying as to where the Lord would have me serve Him after I finish my Internship at Macarthur.

**Lilia Eti (2007):**

In the beginning of 2001 the Lord had burdened my heart for the small country of Ecuador. I enrolled in SBBC in the same year and graduated in 2007. In May 2009 I started deputation and, by the grace of God, I will be going back to Ecuador to work under the ministry of Missionary Glenn McGhee at the beginning of 2010.

James Herringson (2008):

The Lord opened a door for me to commence an internship in our church under the leadership of my pastor. It has been a real joy to serve the Lord this year and I'm thankful for the many ministry lessons God has taught me so far. I'm humbled by how many areas of my life God has shown me He's working on and thankful for his guiding hand. No doubt one of the greatest highlights of this year was my wedding and marriage to my dear wife Cindy. The Lord has always proved Himself faithful and reminded me once again that His will and timing is perfect. Please pray for my wife and I as we minister together and expectantly seek His will for what lies ahead.

**Christine Duboc (2008):**

After graduating from SBBC in 2008, I became a member at Crossroads Baptist Church where I teach Sunday School and am involved in the Awana and outreach ministries. I recently returned from a missions trip to Romania where I was blessed to be involved in the ministry of the Crocket family. I had the privilege of teaching Sunday School and ministering to Romanian ladies whilst there.

Jesse Trumble (2008):

I am involved in the ministry at Grace Baptist Church, Parkes under the leadership of my father. I lead the singing and work in the Sunday School ministry. I am also given many opportunities to preach.
